Dear sender,

By sending you this e-mail Scania confirm that we have handled your request sent in on **2025-03-18**.

Lubrizol, who is the owner of the formulation code **CONFIDENTIAL** corresponding to specification Scania LDF-4, have by your attached confirmation letter confirmed they supply their product to **Eurol bv. Eurol bv** confirm that they market **CONFIDENTIAL** under trade name **Eurol Marathol FE 5W-30** in SAE **5w-30**.

The quality of the product is not in any way approved by Scania by this mail, as we have no insight in your supply logistics nor production process. The confirmation from **CONFIDENTIAL** will expire in our system three years from the date of this email. A completely new application is mandatory for future confirmation extensions.

Scania is free to withdraw the listing of confirmation letters at any time and will if so, inform you by replying to the e-mail requesting the original confirmation.

Sincerely,

LDF support
