Eurol Chainsaw Oil Bio

Strong tenacious biodegradable oil for chainsaws

Description

Eurol Chainsaw Oil Bio is a vegetable (based on rapeseed), 100% biodegradable chainsaw oil and is especially developed for the lubrication of chains in both electric as well as in engine driven chainsaws.

Eurol Chainsaw Oil Bio adheres very well to the chain and guide, does not drip or fling off. Because of the low pour point the oil will keep its excellent properties, also at low temperatures.

Eurol Chainsaw Oil Bio offers a high protection against wear and corrosion and is compatible with metal, rubber and plastic. Due to the special formulation, with only natural raw materials, this oil is non-toxic for the ecological system. When applied correctly, the product is 100% biodegradable.

Physical properties

Colour	brown	
Density at 20°C	0.918 kg/l	ASTM D 4052
Viscosity, kinematic at 40°C	63.2 cSt	ASTM D 445
Viscosity, kinematic at 100°C	14.3 cSt	ASTM D 445
Viscosity Index	238	ASTM D 2270
Flash point	322 °C	ASTM D 93
Pour point	-25 °C	ASTM D 97
