Eurol Lithium Grease EP 3

Universal grease for several applications

Description

Eurol Lithium Grease EP 3 is a high performance, lithium based, multi-purpose grease with EP additives. The excellent corrosion protection and anti-oxidation properties guarantee an optimum lubrication and protection of bearings.

Eurol Lithium Grease EP 3 can be used for high temperature, heavy duty and high (shock) load operating conditions. The excellent sealing properties prevent the bearing from water and dirt contamination.

Eurol Lithium Grease EP 3 can be used in both industrial and automotive applications. The grease is suitable for a wide range of plain and rolling bearings. The stiffer consistency gives the product good performance in vibrating applications.
