

## Eurol E-HD Grease HY-000/101

Exceptional efficiency, unmatched protection

### Description

Fully synthetic lubricant grease based on Eurol Syngis technology, specifically developed for electrified heavy duty applications. This additive technology ensures exceptional energy efficiency and unmatched protection against wear in the most severe conditions.

Eurol E Heavy Duty Grease HY-000/101 is recommended for use in closed lubrication points like gearboxes, reduction gearboxes and bearings.

### Instructions for use

Before applying the grease, clean the gearbox, automatic lubricator or parts thoroughly

### Eurol E-HD Grease HY-000/101 has the following characteristics

- Unmatched energy efficiency
- Exceptional wear protection
- Extremely low friction
- Very long product lifetime
- Extends system lifetime

### Physical properties

Colour	red		
NLGI consistency	000		ASTM D 217
Base oil viscosity	220	cSt	ASTM D 445
Base oil type	Synthetic
